

## CAP KENDRICKS

Cap Kendricks is a producer and songwriter from Munich, currently living and working in Leipzig, Germany. He has produced songs and albums for a lot of big names in the German hip-hop scene such as [Fatoni](#), [Edgar Wasser](#), [Goldroger](#) and [Lakmann](#) among others.

Since 2015 he's constantly releasing instrumental projects which aren't only reaching million of listeners on streaming platforms, but also can be found on international TV commercials. Over the years he worked with labels like [Chillhop Records](#), [Melting Pot Music](#) or [Hip Dozer](#).

His music is deeply rooted in the hip-hop culture but is also influenced by other genres which he integrates in his own instrumental universe. Deep atmospheres, sometimes melancholic and dreamy, sometimes bouncy and uplifting, always with care for detail.

In 2021 he released the collabo album 'Ocean BLVD' with grammy nominated producer [DAO](#) and German beat icon [Tom Doolie](#).
